Applic. No. : 10/822,023

Confirmation No. 1693

Inventor : Kerstin Churt, et al.

Filed : April 8, 2004

Title : Method of Notifying an Apparatus in a System

DECLARATION under 37 CFR § 1.131

The undersigned hereby declare that:

- the invention of the above-identified application was conceived and reduced to practice in one of the United States, a NAFTA country other than the United States, or a WTO member country at least as early as November 4, 2002.
- I diligently worked towards a reduction to practice the invention leading to an invention disclosure drafted on August 27, 2002 and a German patent application filed on April 17, 2003.

Enclosed herewith, as corroborating evidence is an invention disclosure (Erfindungsmeldung) dated August 27, 2002 and submitted to my supervisor on September 2, 2002.

The undersigned declares that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001 and such willful false statements may jeopardize the validity of the application or any patent issued thereon.
